

Hello,

As the hockey season begins, I wanted to inform you of the many great opportunities the Brampton Battalion has to offer your team this year. Please feel free to pass this information along to team managers or parent representative.

**Tim Hortons Mini-Game (flyer attached)**

The Tim Hortons Mini-Game is an excellent way for your team to become involved in a Brampton Battalion game day. Teams play a six-minute game during the second intermission and then have the chance to get autographs by Battalion players who visit the dressing room. Each mini-game team receives 20 complimentary tickets and additional tickets for family and friends are only \$9 compared to the regular price of \$18.50.

**Battalion Fundraising Program (flyer attached)**

The Battalion Fundraising Program is proven to be a successful way for your team to raise money, enjoy a group outing and benefit from some great rewards. Simply choose a Battalion home game to attend, purchase tickets to that game for \$9 each, resell them for \$14 to family and friends, thus making \$5 off every ticket sale. There is no minimum or maximum number of tickets to sell, but reach any of the three ticket levels and receive the following rewards:

Sell 50 tickets- Receive 20 complimentary tickets for your team

Sell 100 tickets- Receive 20 complimentary tickets and a dinner for 20 at the Mandarin

Sell 200 tickets- Receive 20 complimentary tickets, a dinner for 20 at the Mandarin, and a free hour of ice-time after a Battalion home-game.

To help teams reach higher ticket levels and enjoy more rewards, this year we are introducing our new voucher system. These vouchers are purchased the same as tickets, but can be redeemed for any Battalion home game during the regular season. Please note that all vouchers must be paid for upfront, while all fundraising tickets have the option of being taken on consignment.

**Tim Hortons Scholastic Player of the Month (application attached)**

Prior to the first home game of every month we choose five minor hockey players to win the Scholastic Player of the Month Award. Players are nominated by their team's parent reps, coaches, or parents based on their academic efforts and dedication to extra-curricular activities. Winners are invited to take part in a pre-game ceremony where they are recognized for their achievements. We ask that this form be sent to all parents so every deserving child can have the opportunity to be recognized.

**The Home Depot Coach of the Game**

At every home game this season the Battalion will recognize a coach who has been nominated by his or her players and parents for their impact on their team and dedication as a minor hockey coach. Nominations can be made at [www.battalionhockey.com](http://www.battalionhockey.com) under the Community tab. The winning coach will receive a pair of Battalion tickets and will be recognized during the first period of play where he or she will receive prizes from the Battalion and The Home Depot.

If you have any questions regarding this information, or want to book a mini-game or fundraiser, please feel free to contact me at any time.

Thank you,

Amy Merrithew
