

Brampton Youth Hockey Association Policy On Refunds

In order to be considered for a participant registration refund a request must be submitted in writing to the BYHA office, Attention Finance by October 31 of the current season. The request must include the following information:

- Name of participant
- Birth year of the participant
- Current mailing address
- Reason refund is being requested

The Brampton Youth Hockey Association will not issue refunds for requests made after October 31 of each season. All refunds will have a \$50.00 administration fee deducted from the amount being refunded. Additional amounts owed to the Association (i.e. surcharges, NSF fees, late fees, etc) may also be deducted from the refund.

In all cases refund cheques will not be processed and issued until after November 15 of the current season, regardless of when the request was received.

Refunds will be considered after October 31 and before December 31 for medical reasons only. All requests for refunds must be accompanied by a Physician's medical note indicating that the participant cannot play for the current season. Refunds WILL NOT be given for games missed during the season due to short-term injury.

Please note that a refund of fees from the Association does not constitute nor imply a release from the Association nor any obligation to the Association. The Association continues to hold all rights associated with the participant registered.

Refunds for clinics will be given in full only when the Association is notified forty-eight hours in advance that the registrant will be unable to attend. No refund will be given to registrants who are turned away from clinics for being late.
